Get ready for Awards/Demo Day April 22nd!

Annual Awards & Demo Day

(in the Park)

Saturday, April 22

Held at 10am at Rio Vista Park
 (In River's Edge II.)

9th Kyu Metals, 7th Kyu Trophies,
 Student of the Year(2022) and More!

Please try to attend our biggest event of the year! Medals, trophies and awards will be presented. Students will be doing demonstrations and the higher ranks will show weapons work. This is a great opportunity to see the students in action. Even if you are a new student, please try

to attend and *show what you know.*
We take lots of pictures, so if you have a uniform, be sure to wear it.

Happy Birthday!

The **March 3rd Test** went very well. The students showed focus and discipline and knew their testing requirements. Remember that testing is just a gage of the effort you make every time you come to class. Everyone works from where they are to improve their skills. **Each class is a test!** It's a chance to move from where you are to the next level.
